# **LLOYD NOBLE CENTER** **TAILGATING POLICIES**

Tailgating on football game days is a wonderful and long-standing tradition at The University of Oklahoma. The University's tailgating policy is designed to ensure:

- The comfort and enjoyment of game day patrons.
  - The safety, security, and well-being of all people associated with game day activities, and
  - The safeguarding and preservation of all public property under the management of the University.
- 
- The setting up of tents, awnings, and similar equipment may commence at noon on the day immediately preceding the game, most typically on Friday for a Saturday game. The items must be taken down and removed by noon on the Sunday immediately following. Items not claimed within a reasonable time may be disposed of by the University at its discretion. Any such items that are set up outside of this timeframe will need to be arranged through the LNC Staff by contacting the Lloyd Noble Center Administrative Office, (405) 325-4666.
  - Tents, awnings, and similar equipment must be securely anchored with water barrels. The LNC Staff will work with the party in arranging the ordering of equipment (Tents, tables, chairs, etc) to accommodate the expected attendance. Private individuals, groups or businesses will need to arrange the need for portable restrooms through the Lloyd Noble Center.
  - Generators may be used so long as they do not damage University property; e.g., if a generator is placed on a grassy area it must rest on a board or other hard material to protect the grass and soil beneath.
  - The hooking into, connecting to, or similar use of University utilities and/or television or communication cable services is prohibited.
  - Food and beverages shall be for personal consumption only. Sales are prohibited.
  - Liquors/Alcohol must be ordered through the University Catering Services.
  - Gas and charcoal grills with covers are permitted. Open flames are prohibited.
  - Corporate or commercially sponsored tailgates are prohibited unless proper arrangements/reservations are planned through the LNC Staff. Those who wish to organize and provide such sites should contact the Lloyd Noble Center Administrative Office, (405) 325-4666.
  - Small non-University vehicles such as golf carts, all-terrain vehicles, and the like are prohibited on campus.

## Game Day Shuttle Information

### Shuttle Route

The game day shuttle transports people from the Lloyd Noble Center to Gaylord Family-Oklahoma Memorial Stadium on Saturdays. The shuttle route starts at the bus stop at the North side of the Lloyd Noble Center parking lot. It goes straight up Asp to First Street and unloads pedestrians at the laundry mat (see map below). The shuttle then returns by way of Maple to Asp and finally returns back to the Lloyd Noble Center. The shuttle runs continually starting three hours prior to game time until one hour after the game. Tickets can be purchased on game day at the bus stop and the round trip costs \$2 per person. Pricing and availability is subject to change.

### Disability Shuttle Route

Patrons with a disability may ride the disability shuttle for \$2 round trip. The disability shuttle originates at the Lloyd Noble Center and unloads on Asp Avenue, immediately west of the stadium, by Gates 1 through 4. Because of the high demand for the shuttle service, the service is restricted to those patrons who have a disability and one (1) caretaker for riders needing additional assistance. For more information about disability parking services, please call the Parking & Transportation Office at (405) 325-3311. Pricing and availability is subject to change.
